# LEARNX COMMUNITY

Building a  
warm & vibrant  
learning community!

Our LearnX Communities go beyond  
fact sharing and skills transfer. They  
are warm and creative spaces  
to make real connections  
and lifelong friends!

Here's what you  
can do to keep your  
**community safe,  
friendly & welcoming**

## Respect the space

Avoid damaging the space  
used for meetings and keep it  
clean after use.

Be mindful and respectful of  
our shared library space by  
keeping all sessions lively and  
not rowdy!

## Be kind

Build your community with  
respect and compassion.

From small acts of kindness to  
resolving conflicts, be sure to  
have a little understanding to  
help turn your fellow learners  
into true friends!

## Stay on topic

Keep discussions focused on  
the chosen subject of the day.

It helps everyone keep up and  
new members to easily jump  
into the conversation, making  
the session more dynamic.

## Listen & encourage

Your community is a great  
place to hear new ideas and  
discover new perspectives.

Encourage everyone to share  
their viewpoints and listen  
with an open mind!
